

**CENTRAL STATES ASSOCIATION OF SHRINE MOTOR CORPS
FALL MEETING SEPTEMBER 13, 2003
OMAHA, NEBRASKA**

The Meeting was called to order by President Jerry Ritchey at the Holiday Inn Central.

The invocation was given by Past President Bob Giesen.

President Ritchey welcomed all the members to Omaha.

President Ritchey explained the layout of the Competition fields and parking lots at Bluffs Run.

President Ritchey explained to the members that there are 151 cars registered for Show Car Competition, and under normal inspection times, it would take 10 hours for Show Car Competition. In order to get that time down to six hours he had to make some changes in the Show Car Competition. He explained that the parade portion of the Competition would be eliminated and that area would become a second inspection area. We will split the Competition into two sections and use two sets of judges. One set of judges will inspect the Units that have vehicles in the Antique, Modified, Special Interest and Commercial classes. The other set of judges will inspect the Units that are in the Mustang and Convertible classes. These same judges will also do the Motorcycle Show class.

The Secretary read to the members the assigned times for their respective Competition and passed out a sheet to all Units with all the assigned times and fields.

President Ritchey announced that the 2003 Mid-Winter Meeting will be in Lincoln, Nebraska on April 12, 2003.

With no further business, the meeting was adjourned.

Respectively submitted
